### Benefits of an ASES Membership

#### Solar Today

Solar Today magazine is a quarterly publication that delivers information on lifestyle trends, technology and analysis to the sustainability community.

#### Clean Energy Credit Union

CECU is a new financial institution focused on providing low-interest loans that help everyone afford clean energy products and services.

#### Tiny Watts

Tiny Watts is a brand new ASES program aiming to create a nationwide community of Solar Citizens who all use small, portable, applications of solar PV and thermal.

#### Career Center

Connecting Talent with opportunity at [careers.ases.org](http://careers.ases.org).
